Instructed doctoral-level graduate students in psychology in dissertations and coursework, including social systems, systemic and cognitive-behavioral interventions, child development and treatment and history of psychology.

Assistant Professor of Clinical Psychology, Adjunct Faculty, *Northern Illinois University, DeKalb, IL* (June 2003 – December 2004). Instructed Master-level graduate students in education in developmental and educational psychology coursework.

Assistant Professor of Clinical Psychology, Adjunct Faculty, *North Central College, Naperville, IL* (January 2003 – July 2003). Instructed Bachelor-level undergraduate students in psychology and education in educational psychology coursework.

Assistant Professor of Clinical Psychology, Adjunct Faculty, *Lewis University, Romeoville, IL* (January 2003 – July 2003). Instructed Bachelor-level undergraduate students in psychology and education in social sciences statistical coursework.

Assistant Professor of Clinical Psychology, Adjunct and Affiliate Faculty, *Chicago School of Professional Psychology, Chicago, IL* (August 2002 – July 2004). Instructed doctoral-level graduate students in psychology in dissertations and coursework, including systems, cognitive-behavioral, developmental, and treatment intervention classes.

Associate Professor of Clinical Psychology, Adjunct Faculty, *Elmhurst College, Elmhurst, IL* (August 2002 – April 2003). Instructed Bachelor-level undergraduate students in health sciences in abnormal psychology coursework.

Assistant Professor of Clinical Psychology, Adjunct Faculty, *East West University, Chicago, IL* (January 2002 – April 2002). Instructed Bachelor-level undergraduate students in social sciences in sociology and social psychology coursework.

## Research Positions

Principal Investigator, *the Disruptive Behavior Clinic Community-Engaged Scholarship Program, Institute for Juvenile Research at the University of Illinois at Chicago, Chicago, IL* (2007 - present)

Funding source: The Chicago School of Professional Psychology research grants

Program description: An academic-clinic partnership to train doctoral students in clinical psychology in evidence-based practices in clinical and community service settings.

Co-Investigator, *Schools and Families Educating Children, Chicago, IL* (2006 – 2008)

Funding source: Center for Disease Control and Prevention research grant

Principal Investigator: Deborah Gorman-Smith, Ph.D., University of Illinois at Chicago.

Program description: A university-community collaboration on a family-based prevention intervention for first grade children in urban elementary schools combining multiple family group

and phonics-based tutoring component to improve behavioral and academic performance. The SAFE program is one of the ten prestigious and nationally-renowned sites listed in the Centers for Disease Control National Academic Centers of Excellence on Youth Violence Prevention.

Co-Investigator, *the Disruptive Behavior Clinic, Chicago, IL* (2003 – 2008)

Funding source: Illinois Safe and Drug Free Schools services grant

Principal Investigator: Pat Tolan, Ph.D., University of Illinois at Chicago

Program description: An evidence-based practice clinic providing family-focused interventions comprised of empirical assessments, manualized treatments, and systemic linkages for urban youth and their families.

Consulting Supervisor, *Key Opinion Leader Project, Chicago, IL* (2001 – 2003)

Funding source: National Institute of Mental Health research grant

Principal Investigator: Marc Atkins, Ph.D., University of Illinois at Chicago

Program description: A social diffusion theory intervention with classroom teachers and mental health providers that implemented and enhanced evidence-based treatments in urban elementary schools for children with Attention Deficit Hyperactivity Disorder and other behavioral problems.

Co-Investigator, *Positive Attitudes for Learning in Schools, Chicago, IL* (1998 – 2001)

Funding source: National Institute of Mental Health research grant

Principal Investigator: Marc Atkins, Ph.D., University of Illinois at Chicago

Program description: An ecologically sensitive school-based intervention for urban youth in Chicago elementary schools who were experiencing significant difficulties in their academic, behavioral, emotional, and social functioning.

Project Director, *Violence Intervention Prevention, Chicago, IL* (1995 – 1997)

Funding source: Egan Urban Center research grant

Principal Investigator: LaVome Robinson, Ph.D., DePaul University

Program description: A culture-specific violence prevention intervention that targeted urban African-American males who were high-risk for behavioral problems in a Chicago high school.

Principal Investigator and Evaluator, *Young Warriors, Chicago, IL* (1992 – 1993)

Funding source: DePaul University Vincentian Fund research grant

Program Description: A comprehensive empirical evaluation of a culture-specific intervention that targeted urban African-American male children who experienced severe social, emotional, behavioral and academic problems in Chicago elementary schools.

Research Assistant, *Smoking Cessation Project at DePaul University, Chicago, IL* (1990 – 1991)

Funding source: National Institute of Mental Health research grant

Principal Investigator: Leonard Jason, Ph.D., DePaul University

Program description: A primary prevention program that targeted smoking cessation in office personnel in Chicago area businesses.

Research Assistant, *Toward Teen Health Project of Ounce of Prevention Fund of Planned Parenthood, Chicago, IL* (1989 – 1990)

Funding source: Ounce of Prevention Fund research grant

Principal Investigator: LaVome Robinson, Ph.D., DePaul University

Program description: A primary prevention program that targeted health and sexuality behaviors of urban youth who were first-year students in Chicago high schools.

Research Assistant, *School Transition Project of DePaul University, Chicago, IL* (1989 – 1990)  
Funding source: National Institute of Mental Health research grant  
Principal Investigator: Leonard Jason, Ph.D., DePaul University  
Program description: A primary prevention program that targeted children who were high-risk for school dropout in elementary parochial schools in Chicago.

Research Assistant, *Psychology Department of Howard University, Washington, D.C.* (1988 – 1988)  
Funding source: Howard University Psychology Department  
Principal Investigator: Donald L. King, Ph.D., Howard University  
Program description: A laboratory study on the effects of spatial location and color hue on visual perception of geometric figures among university students.

### **Clinical Positions**

Associate Director, the Disruptive Behavior Clinic School-Age Program, *Institute for Juvenile Research at the University of Illinois at Chicago, Chicago, IL* (2003 – present)  
Funding source: Colbeth Child Psychiatry Clinic funds  
Program description: An evidence-based practice clinic providing family-focused interventions comprised of empirical assessments, manualized family therapy sessions, and systemic linkages for urban youth and their families.

Clinical Co-Director, *Clinical Evaluation and Services Initiative, Chicago, IL* (1997 – 1999)  
Funding source: MacArthur Foundation  
Principal Investigator: Bennett Leventhal, M.D., University of Chicago  
Program description: Administration and evaluation of a court-based initiative for reforming the acquisition and use of clinical information for urban youth and families in the Juvenile Court of Cook County in Illinois.

Clinical Interventionist, *Montefiore Special School, Chicago, IL* (1994 – 1995)  
Funding source: Montefiore Special School services grant  
Program description: A culturally-sensitive intervention using Rap music and Hip-Hop media to promote prosocial development of urban male youth with severe and chronic social, emotional, behavioral, and academic problems.

Doctoral Intern, *Institute for Juvenile Research at the University of Illinois at Chicago, Chicago, IL* (1993 – 1994)  
Funding source: University of Illinois at Chicago Department of Psychiatry  
Program Director: Pat Tolan, Ph.D., University of Illinois at Chicago  
Program description: Doctoral Internship in psychology that entailed training and treatment toward providing clinical services for a caseload of 12-15 urban youth and their families using systemic and inter-agency interventions.

Clinical Interventionist, *Young Warriors, Chicago, IL* (1992 – 1993)  
Funding source: Center for Urban Education services grant  
Program description: A culture-specific intervention that targeted urban African-American male children who experienced severe social, emotional, behavioral and academic problems in Chicago elementary schools.

Mental Health Specialist, *Metropolitan Adolescent and Child Study, Chicago, IL* (1991 – 1992)  
Funding source: National Institute of Mental Health research grant  
Principal Investigator: Pat Tolan, Ph.D., University of Illinois at Chicago

Program description: A primary prevention program that entailed training, treatment, and research toward providing family therapy for 12-15 urban elementary school children who were high-risk for behavioral problems.

Clinical Interventionist, *Mile Square Community Mental Health Center, Chicago, IL* (1991 – 1992)

Funding source: Mile Square Community Mental Health services grant

Program description: A mental health services framework for training clinicians to administer culturally-sensitive treatments to urban youth who were referred for outpatient services.

Clinical Interventionist, *Youth Guidance Program, Chicago, IL* (1991 – 1992)

Funding source: Youth Guidance Program services grant

Program description: A culturally-sensitive intervention using Rap music and Hip-Hop media to promote prosocial development of urban male youth with severe and chronic social, emotional and behavioral problems in high schools.

Mental Health Specialist, *Crawford Consulting Services, Chicago, IL* (1990 – 1993)

Funding source: Public and private insurance service contracts

Clinic Director: Isiaah Crawford, Ph.D., Loyola University

Program description: A psychological services company that provided diagnosis, assessment, and intervention at long-term residential facilities for 12-15 adult inpatients that suffered from chronic mental illness.

Co-Founder and Co-Director, *Young Warriors, Chicago, IL* (1990 – present)

Funding source: Currently unfunded

Program description: A culture-specific intervention that disseminates prosocial messages to, and develops critical consciousness in, urban youth using popular mass media, particularly modern Rap music and Hip-Hop culture.

Clinical Practicum, *Community Mental Health Center at DePaul University, Chicago, IL* (1989 – 1991)

Funding source: DePaul Community Mental Health Center services grant

Clinical Training Director: Sheila Ribordy, Ph.D., DePaul University

Program description: Clinical practicum that entailed providing diagnostic and therapeutic services for a caseload of 3-5 youth and families.

Mental Health Specialist, *the Counseling Center, Washington, D.C.* (1989 – 1989)

Funding source: District of Columbia services grant

Clinic Director: Robert Grossman, Ph.D.

Program description: Outpatient treatment facility for intervention and evaluation of a diversionary program for first-time adult offenders convicted of alcohol-related driving offenses.

## **Consulting Positions**

Program Consultant and Trainer, *Habilitative Systems Incorporated, Chicago, IL* (2007 – 2008)

Funding source: Department of Child and Family Services training grant

Program description: A program development initiative to improve staff treatment skills and program implementation protocols in a community mental health agency residential program for youth and young adults who are state wards with a chronic and severe history of behavioral, emotional, and academic problems.

Program Implementation and Evaluation Consultant, *Chicago Positive Behavior Interventions and Supports and Substance Abuse and Mental Health Administration System of Care Chicago, Chicago, IL* (2001 – 2002)

Funding source: Illinois State Department of Mental Health research grant

Principal Investigator: Marc Atkins, Ph.D., University of Illinois at Chicago

Program description: An inter-agency initiative involving the Chicago Public Schools, Illinois State Board of Education, and the Illinois State Department of Mental Health to implement and evaluate the System of Care model for academic and mental health needs of urban elementary school students.

Cultural Awareness Consultant, *Clinical Evaluation and Services Initiative, Chicago, IL* (2000 – 2001)

Funding source: MacArthur Foundation research grant

Principal Investigator: Bennett Leventhal, M.D., University of Chicago

Program description: A court-based initiative on the evaluation and reform of the acquisition and use of culturally sensitive clinical information for urban youth and families in the Juvenile Court of Cook County in Illinois.

Curriculum Consultant, *Parents As Leaders in Schools, Chicago, IL* (1996 – 1997)

Funding source: National Institute of Mental Health research grant

Principal Investigator: Marc Atkins, Ph.D., University of Illinois at Chicago

Program description: A school-based intervention to promote parental involvement in educational activities of urban children in elementary schools.

Curriculum Consultant, *Chicago H.I.V.-Prevention and Adolescent Mental Health Project, Chicago, IL* (1995 – 1996)

Funding source: National Institute of Mental Health research grant

Principal Investigator: Roberta Paikoff, Ph.D., University of Illinois at Chicago

Program description: Family intervention to promote adolescent health in situations of social and sexual risk among urban youth and their families.

Program Consultant, *DePaul University Promotion of Resiliency in Urban African-American Youth, Chicago, IL* (1993 – 1994)

Funding source: National Institute of Mental Health research grant

Principal Investigator: LaVome Robinson, Ph.D., DePaul University

Program description: An adolescent health awareness program to promote psychological and physical health of urban adolescents in local schools.

Program Implementation and Evaluation Consultant, *Jenner Elementary School, Chicago, IL* (1991 – 1992)

Funding source: DePaul University Community Mental Health Center services grant

Principal Investigator: Paul Dupont, Ph.D., DePaul University

Program description: A primary prevention program on prosocial behavior and drug prevention for urban African-American children in an elementary school in Chicago.

Program Consultant, *Multicultural Student Affairs Office of DePaul University, Chicago, IL* (1989 – 1991)

Funding source: DePaul University Multicultural Student Affairs Office services grant

Program description: Cultural awareness programming for university students, faculty, and staff.

Program Consultant, *Residence Life Office of DePaul University, Chicago, IL* (1989 – 1991)

Funding source: DePaul University Residence Hall services grant

Principal Investigator: Betty Burrows, Ph.D., DePaul University

Program description: A primary prevention program for mental health issues of university students, faculty, and staff who reside in campus dormitories and other university housing.

### **Certification and Licensure**

Licensed Clinical Psychologist for State of Illinois, 1999 – present
