## RESEARCH POSITIONS

- 06/95-12/00    **Principal Investigator**, Warren Wright Adolescent Center at Northwestern Memorial Hospital. Directed the research program at the Warren Wright Adolescent Center serving adolescents and families in psychiatric care; Generated research protocols; Hired and trained research staff; Supervised data collection and data entry; Conducted data analyses; Presented data at national and international conferences; Prepared manuscripts for publication; Wrote grant proposals.
- 07/94-05/95    **Clinic Study Director**, Department of Psychology, University of California Los Angeles. Oversaw the operation of an NIMH-funded longitudinal study of clinic-referred children and adolescents; Supervised parent and child interviewers, and graduate and undergraduate staff; Managed quality control of the data; Served as liaison to clinic staff; Conducted staff meetings.
- 09/91-06/93    **Research Assistant/Clinic Coordinator**, Department of Psychology, University of California Los Angeles. Coordinated data collection at one of mental health clinics in Los Angeles participating in a longitudinal study of clinic-referred children and adolescents; Helped formulate the research protocol; Recruited and interviewed subjects; Supervised data collection and undergraduate staff; Ran data analyses; Developed a measure of child therapy process.
- 05/90-03/91    **Preschool Project Coordinator**, Department of Psychology, University of California Los Angeles. Coordinated a longitudinal study of preschoolers at risk for emotional and behavior problems; Supervised undergraduate and graduate staff in subject recruitment, child assessments, subject interviews, and subject feedback.
- 05/89-05/90    **Research Assistant**, Department of Psychology, University of California Los Angeles. Assisted on a study of preschoolers "at risk" for emotional and behavior problems; Recruited subjects; Conducted interviews; Assessed preschoolers' cognitive, social, and emotional functioning; Co-led several short-term behavioral parent training groups.

## TEACHING ACTIVITIES
